TAYLOR: Did you like it?

J : Need to sit there on that.

TAYLOR: Have you been watching the Marvel movies? Which one was the last, movie you saw? Did you see...

J : Friday

TAYLOR: About see any war? Like Civ...

J : Civil War.

TAYLOR: Civil War yeah.

J : Yeah, I liked that.

TAYLOR: You liked that one? A lot of super heroes?

J : That was one of my favorites.

TAYLOR: A lot of super heroes in that one.

J : (LAUGHS)

TAYLOR: You got a favorite in there?

J : Um, like all of them.

TAYLOR: Yeah, you don't like one more than the other? Cause the end of that one wasn't it Capitan America fighting Ironman? Which side were you one on that little battle?

J : I didn't like that (LAUGHS)

TAYLOR: No?

J : I was just like, fight, fight, fight.

TAYLOR: (LAUGHS) Yeah, you just like to see the action, huh?

J : Yeah.

TAYLOR: Yeah, yeah. Well, did you like super heroes just because of what they stand for, I guess? You know helping others?

J : Yeah (UI)

TAYLOR: Yeah, I mean what about Batman? Batman doesn't have powers, he just.

J : Yeah.

TAYLOR: He's good at what he does.

J : He's got all these....all these gadgets.

TAYLOR: He does have gadgets, he's a (UI) man.

J : He has (UI) powers.

TAYLOR: That's true, that's why I think a lot of people like Batman. He's not gifted with powers, he just stands for the right thing. Does the right thing no matter what. So, I just wanted to, have you been watching the news the last couple days? You know what's going on? Ok. So, they ah, if you haven't seen it already ah, I know that Abdul was on the property in New Mexico. And I know a lot of people were saying he wasn't and I get that. You know you're trying to help out your parents and ah...but he was found and I know how and why he was out there and um, you know. Did you care for him? Did you play with him? Was he like a brother to you?

J : I don't know. I never even seen him a lot.

TAYLOR: You didn't see him a lot?

J : No, not back then. Not back in there? Not back (UI).

TAYLOR: So, one of things that I talked about before is, I'm a federal agent. I mean you talked to Karen and she's not a federal agent but I'm a federal agent. And lying to a federal agent, you know has consequences. You're not in trouble. I don't want you to be in trouble and I....you're a good kid, I can tell. Here and talking, you know back was it Tuesday, did...I would be awesome if we could hang out. You know, I think you're a good kid, I think you did the right thing. But, I know the truth on many of these things and I'm gonna ask you and you telling the truth isn't gonna cause you know, you to be in any trouble. But, it's important that you do tell the truth. And I know Abdul Wahhaj was in New Mexico in Amalia and he was playing with you all and he was part of the family. And I know what happened to him. So that's no reason to tell me that was the last time you saw him was in Georgia. I've talked to his parents. I've talked **Hibana**, Housra, and Janay.

J : Jany.

TAYLOR: She goes by. I thought she told me Janay?

J : Yeah.

TAYLOR: She goes by Jany?

J : Yeah.

TAYLOR: Ok, well that's good to know. So...I feel bad about calling her the wrong name.

J : (LAUGHS)

TAYLOR: So, but like I said, I already know he was out there, so there's no reason to tell, you know. I don't want you to lie to me. It's gonna feel better not to hold that burden. What are you thirteen, fourteen?

J : Thirteen.

TAYLOR: Yeah. No one should have to hold the burden of what happened and all that in, I mean, it's not yours to carry. And so, I encourage you to tell the truth here, cause I think it's gonna make you feel....

J : Ok.

TAYLOR: ...feel better. And you just tell me what you know about Wahhaj, Abdul Wahhaj coming out here and all that.

J : Yeah.

TAYLOR: Ok. So can you tell me when the last time you saw him was?

J : New Mexico.

TAYLOR: New Mexico, ok. Was it a few months ago, was it...

J : Yeah, a few months ago.

TAYLOR: What month do you think was the last time you saw him?

J : I don't know what month. It was like three months.

TAYLOR: Do you remember if it was cold, or if it was a holiday around, when the last time you saw him was?

J : No.

TAYLOR: You said about three months ago.

J : Yeah.

TAYLOR: So, is that May? Was it before May cause when did you all get there? What in January?

J : I remember it was after....

TAYLOR: Did, was it after Christmas?

J : I don't like keep checking the dates like that.

TAYLOR: No, I know. But, I mean, was it after Christmas?

J : Yeah.

TAYLOR: Ok, do you know what Valentine's Day is?

J : No, we don't do holidays, still.

TAYLOR: Ok. So after Christmas. Um, so he came out with you all and he ah. Do you know what car he was riding in on the way out here?

J : Um, he was riding in (UI).

TAYLOR: In the, with Lucas all the way from ah Georgia? Or was he in ah...

J : Georgia.

TAYLOR: Ok, so, he...so you all were, you and ah F and your sisters were in your ah, now I've got Janay stuck in my head, Jany's car with ah Saraj, correct?

J : Yeah. I was with my family.

TAYLOR: Yeah, but not A ?

J : Not with A . Yeah, he was there.

TAYLOR: Ah, A was in the car with you as well.

J : Yeah, we all.

TAYLOR: Yeah, and then the car accident happened?

J : Yeah.

TAYLOR: And then is that when everyone went...

J : Yeah.

TAYLOR: Ok. Do...do you know whose idea it was to come out to New Mexico? I know that, ah, your uncle Morton came out for a bit and then came back. I know there was, I know what happened in Atlanta, there was, you know, your mom was on the phone and then there was some things that were said and soon then after you all left. But, and I know your mom....I mean would you say that...who do you think runs like your household? Your mom and your dad, right?

J : First it's my dad, but now it's (UI).

TAYLOR: Yeah, and you call him your dad right?

J : Yeah, I call him my dad. (UI) dad.

TAYLOR: Yeah, Wahli as well?

J : Yeah.

TAYLOR: Ok. Um, so, you know, like we all have our mom and our dad and...and sometimes someone will say that one runs the house over the other. Do you think, how do you think that they kind of manage the responsibilities?

J : I think it's more like my mom.

TAYLOR: Yeah. Had that always been that way or...

J : No.

TAYLOR: When do you think that changed?

J : When we got (UI) here.

TAYLOR: Yeah. Your mom seems like she ah...

J : She went to New Mexico for (UI).

TAYLOR: Um, hum. It seems like your mom ah, she has, what's the right word, kind of special powers. She's, you know she sees the future. Is that...

J : No.

TAYLOR: No.

J : She reads it in the, you know the Quran?

TAYLOR: Yup.

J : If you open Quran the pages.....

TAYLOR: Yup.

J : You get like you do.

TAYLOR: Yeah. And then she reads those messages and that helps guide her to what the next step is for the family?

J : Yeah.

TAYLOR: Is that what brought you all?

J : Yeah.

TAYLOR: Out to New Mexico? Can you tell me more about them?

J : Um, from the beginning?

TAYLOR: Yeah, so you said she opens the Quran and guides her and then...

J : Yeah. So, she opens the Quran and the Quran said that the Hakima was doing magic.

TAYLOR: Um, hum.

J : And she even tried to kill her.

TAYLOR: Um, hum.

J : And that's why we left. Was doing magic, (UI) that's why we left.

TAYLOR: Um, hum.

J : And, yeah. She, this might not make sense but...

TAYLOR: No I studied Islam it some in ah Middle Eastern studies in college so...

J : Yes.

TAYLOR: I have some understanding of..

J : She's stole, my mom's baby from her baby...

TAYLOR: Um, hum.

J : And let me tell you um, so when you're pregnant, you're not supposed to let anybody know.

TAYLOR: Um, hum.

J : But your husband.

TAYLOR: Um, hum.

J : Or you wife, no, no, (UI)...

TAYLOR: I got you (LAUGHS)

J : And um, so she told, she told um, some friends or stuff like that, then Hakima found out...

TAYLOR: Um, hum.

J : But she would never, she could never get pregnant. So...

TAYLOR: So, who Hakima or?

J : Yeah, Hakima.

TAYLOR: Um, hum.

J : So, she envied my mom.

TAYLOR: Um, hum.

J : And she, she, my mom didn't know about this stuff yet.

TAYLOR: Um, hum.

J : She spent dem....her demons....

TAYLOR: Um, hum.

J : (UI) cause she does magic.

TAYLOR: Um, hum.

J : She, she took my mom's baby and she took him to have him.

TAYLOR: Yeah, so Hakima does magic and she took your mom's baby and then....

J : Yeah.

TAYLOR: ...that baby was Abdul?

J : Yeah.

TAYLOR: Ok.

J : Rodge she told him to get him, to get him back.

TAYLOR: Um, hum.

J : So, we were going to return her but then (UI) Hakima saying no but because we had to recite the Quran on him.

TAYLOR: Um, hum.

J : So all the demons would die.

TAYLOR: Right.

J : But, it was like he had he was already dead when he came out.

TAYLOR: Um, hum.

J : And then, she put all these demons inside him to keep him moving so...

TAYLOR: Let me ask you before you came out to New Mexico, was there any talk of Jesus in that couple months? Jesus, was he, you would see Jesus?

J : Um, not...not yet. It'll happen in New Mexico. He just got it little by little.

TAYLOR: Right. Did you mom say that when we got to New Mexico we would see Jesus?

J : Yeah. She said he would come to be Jesus.

TAYLOR: She said that A would come to be Jesus?

J : Yeah. And when, you know, when he passed, (UI)

TAYLOR: Um, hum.

J : Because you know after Jesus was taken up..

TAYLOR: Right.

J : (UI)

TAYLOR: Um, hum.

J : Through the Quran. He died to.

TAYLOR: Yeah.

J : So, (UI) all the demons came alive.

TAYLOR: Right, yeah.

J : And he was ok, he looked the same. For like three months.

TAYLOR: He act the same, he talked to you, like he'd always done?

J : No, he doesn't talk.

TAYLOR: He doesn't talk.

J : Ugh, ugh.

TAYLOR: Do you all play at all? Before you came to New Mexico?

J : Yeah.

TAYLOR: Was he playing when you came to...

J : And somebody did magic on him (UI).

TAYLOR: Uh, huh.

J : And then he got (UI).

TAYLOR: So, just to make sure I got the story right, so before...when you were in Georgia, your mom, said that Hakima stole our baby, she was taking the baby back through magic.

J : The Quran, yeah.

TAYLOR: Yup, yup.

J : No, no, no, Hakima, my momma's pregnant, she said the pregnancy test....

TAYLOR: Yup.

J : It was positive, then she told some people.

TAYLOR: Um, hum.

J : Then the next day, Hakima found out.

TAYLOR: Um, hum.

J : And after that, she took another test but it was faded. And she took another one another day then it was totally dark.

TAYLOR: Yeah. And then, Hakima was pregnant.

J : Yeah, right after.

TAYLOR: Yeah. And then so, when A was born your mom..

J : My mom, my mom didn't know.

TAYLOR: Didn't know...

J : Got it later. No, she didn't know that she (UI).

TAYLOR: Oh.

J : It was later on that we found out.

TAYLOR: So that when you were in Georgia, and your mom was saying that you all should leave.

J : No, no, no, she wasn't deciding that she, that we would leave. Um, we wasn't gonna leave but God told us to take back up to (UI).

TAYLOR: Um, hum.

J : (UI)

TAYLOR: Um, hum.

J : But then, every time she would like check to see if we could bring him back, she would say no.

TAYLOR: Yeah.

J : So, then we took, kept him for some more days.

TAYLOR: Does your dad see these messages as well? Or just your mom?

J : No, it was only her.

TAYLOR: So, when your mom saw those messages....

J : Then my dad sees them but she the one with the messages.

TAYLOR: Yeah. So, when your mom opened the Quran and saw this message, was it her decision then to leave or was it your dad's or?

J : No, no, it was...

TAYLOR: Well....

J : God told us to do this.

TAYLOR: But, that's what she saw and then she...

J : Yeah.

TAYLOR: ...she would relayed the message to the family. Was there anyone else that relayed the message to the family?

J : No, just our family and then Hujrah's family.

TAYLOR: Yeah.

J : And Lucas family found out later.

TAYLOR: Yeah. Who told Lucas' family and Hujrah?

J : No, um, like she would go and tell her about the stuff that's been happening, then she opened some messages and like it would say about the person's life and what (UI) and stuff like that.

TAYLOR: Um, hum.

J : And they were like wow, that's true and then they would like (UI) one family.

TAYLOR: Um, hum.

J : (UI) Abdulla, my um wahif..

TAYLOR: Um, hum.

J : ...my mom, my mother, me um lit..my sister, (UI)

TAYLOR: Um, hum.

J : (UI)

TAYLOR: Um, hum.

J : We all left. We were first in Georgia. The Quran related that to go talk to Najeeta.

TAYLOR: Um, hum.

J : Because, you know, the landlord, you know who he is right?

TAYLOR: Yes. I've heard of him.

J : Yeah, and we told her, you (UI) and she was so pissed off. We left cause (UI) husband (UI).

TAYLOR: What's her husband's name?

J : Alim, Abdul Alim.

TAYLOR: Abdul Alim. Just like ah, (UI) someone like that who is actually trying (UI) that's willing to help out.

J : Yeah. (UI)

TAYLOR: Ok.

J : And then, what happened was the Quran told us to (UI) the house.

TAYLOR: Um, hum.

J : And we all went there first and talked to Hujrah. And she was like wow and she believed it.

TAYLOR: Um, hum.

J : And then, then that's when God and um my dad, it was a test though..

TAYLOR: Um, hum.

J : My...my dad and Lucas...

TAYLOR: Yeah.

J : ...they were sent by (UI) He saw the same car passing..

TAYLOR: Yeah.

J : ...back and forth.

TAYLOR: Heard about that, yeah.

J : Yeah, and then they like the same car driving by real slow, tinted windows.

TAYLOR: Um, hum.

J : They were waiting, so my mom, my dad come back cause he took my mom's car.

TAYLOR: Oh, ok.

J : Yeah, so.

TAYLOR: Well, it seems like it was a close call then.

J : Yeah. Then, that's when it was like wow, she's (UI). Then we all (UI)

TAYLOR: Um, hum.

J : The mercenary is trying to kill us.

TAYLOR: But, God doesn't speak to every one of you, right? He only speaks to...

J : He speaks to every one of us but we....we don't understand it.

TAYLOR: Yeah.

J : It's like internal.

TAYLOR: Who translates it then for you for the family?

J : My mom.

TAYLOR: Ok.

J : Angel.

TAYLOR: You call her Angel?

J : No, no, no. That's the Angel Gabriel.

TAYLOR: Who are you referring to? When you say Gabriel?

J : (UI)

TAYLOR: It's alright man. I know Gabriel...

J : Some say...

TAYLOR: ...Gabriel is a fallen angel.

J : Gabriel?

TAYLOR: Yeah, he's a fall...in the Bible, he's a fallen angel.

J : Really?

TAYLOR: Yeah. But, so the Quran is another chapter further?

J : It's basically like, it's like the Bible.

TAYLOR: Yeah. You know there are three books.

J : But then, yeah, it's the Bible, the Quran, what's the...

TAYLOR: Well, the first one is (UI) the Moses and then Jesus and the crossing, Christianity and then Mohammad and Quran to correct what God thought of it.

J : Yeah.

TAYLOR: Yeah, Christians slayed and so...so when you say Gabriel, who are you referring to?

J : The one sent by God.

TAYLOR: The what?

J : The one sent by God.

TAYLOR: Ok. And so, who, so I guess what I'm asking is you said that God speaks to all of you but you can't understand it, right? Qur....

J : He really speaks to her only.

TAYLOR: Yeah and she relays the message to the...

J : No, and then the Angel Gabriel, like, he's like in her mind.

TAYLOR: Um, hum.

J : (UI)

TAYLOR: Ok.

J : Then she like, oh, I understand.

TAYLOR: Yeah, it's kind of similar, how the Mohammad...

J : Yeah.

TAYLOR: ...translated uh what was coming from Alah.

J : Yeah, that's what Angel Gabriel (UI) to Mohammad (UI).

TAYLOR: Ok.

J : But then, (UI).

TAYLOR: Yeah.

J : Then, um, what happened, so to leave they went to Alabama...

TAYLOR: Um, hum.

TAYLOR: Stayed at your grandpa's place right?

J : (UI) Yeah.

TAYLOR: Yeah.

J : And traveled with my uncle.

TAYLOR: Um, hum.

J : Then, it was horrible there. It was always raining.

TAYLOR: (LAUGHS)

J : And....

TAYLOR: Hot and humid?

J : Yeah. It was....it was, no it was real cold.

TAYLOR: Oh, that's right cause was probably late fall, wintertime.

J : Yeah, it was really, really cold. You have to work outside, it was like a swamp. It rained so much....

TAYLOR: Um, hum.

J : Like days, then the time was going by real slow. A day felt like a.....three days.

TAYLOR: Yeah. When you're not having fun it's not going fast. (LAUGHS)

J : It's just how it goes.

TAYLOR: Yeah.

J : Then um, yeah. Then it was a test again. To see if we would actually go.

TAYLOR: Um, hum.

J : (UI) then he took us to New Mexico. (UI)

TAYLOR: And, your mom was the messenger for that message as well or was it someone else?

J : No, just my mom.

TAYLOR: Ok. So, I get that story. And that makes sense. Uh, do you know, so...you spoke, you told me that that ugh, when you all went to New Mexico, your mom said that Abdul would end up coming back as Jesus, right?

J : Yeah.

TAYLOR: Did I get that right?

J : Yeah.

TAYLOR: So, did you....

J : It was just a few times though.

TAYLOR: Did it...did the family know before going to New Mexico that Abdul would eventually pass away and then come back as Jesus?

J : No, we definitely didn't know that.

TAYLOR: No....

J : (UI) We thought A would leave and Jesus would start walking and talking.

TAYLOR: Oh, still....

J : But it didn't work.

TAYLOR: So, as far as you know....

J : That's not how, that's how you understand it but that's not how it went.

TAYLOR: Right. How was...what was, what was the plan then for Abdul before going to New Mexico? Like when you...

J : Before going to New Mexico?

TAYLOR: You were going....

J : There was no plan.

TAYLOR: Ok.

J : My mom didn't want to take him. It's that the Quran so (UI) to keep him for a little bit. Then I said, every time she take like more day.

TAYLOR: Um, hum.

J : I said oh, come on, (UI) is going to calling (UI) and that's when she found out it was her son. I know this sounds crazy. (LAUGHS)

TAYLOR: No, no man. Go ahead.

J : There's always some crazy stuff happening in the world.

TAYLOR: The world's a crazy place so. What was it...why do you think it's crazy?

J : No, I'm thinking that you did (UI).

TAYLOR: I...I come today, work every day and I see some crazy stuff. And this is not crazy.

J : Oh.

TAYLOR: (LAUGHS)

J : (LAUGHS) That's good, ok.

TAYLOR: Yeah.

J : So then, yeah, we go to New Mexico and when we got there, you know, we would play around. And then our dad was ordered to recite Quran.

TAYLOR: Um, hum.

J : Every day.

TAYLOR: Who ordered your dad to do that? Did God tell your dad or tell your mom as a messenger?

J : Yeah, it goes from God, to um angel, to my mom...

TAYLOR: Yeah.

J : And then, yeah and then...

TAYLOR: Did...did your mom relay the message?

J : She got it everyday, like she would like put his hand on his forehead and like use it as a choke him, and a white slav comes out and it smells, crazy stuff. Then um...

TAYLOR: Would he pass out after that?

J : Yeah, he would like pass out and another one comes out, and stuff like that. Then he'd try on that one and then he would die like all the demons were dying.

TAYLOR: Um, hum.

J : Not, some of the ones (UI). They was made from the same thing but they good.

TAYLOR: Yeah, and do you witness, you saw this?

J : Yeah, I saw it. It was crazy.

TAYLOR: Yeah.

J : I feel like (UI)

TAYLOR: I imagine then...

J : And then it would happen to our mom, to sometimes.

TAYLOR: Yeah.

J : It was like the poppin up, doing all these scary things and like talking strange.

TAYLOR: Um, hum.

J : And then, basically she hadn't, she was told that she had more (UI) inside her (UI)

TAYLOR: Um, hum.

J : (UI) like this small.

TAYLOR: Um, hum.

J : And like (UI).

TAYLOR: Wow.

J : Cause there's so many more of them than us.

TAYLOR: Right.

J : Just we found out too. You know, she knew nothing about this stuff. It just started happening.

TAYLOR: Ok.

J : Then...then that's when the last one passed away. And after that (UI) and she went, oh my God. She checked and she saw that um it's a test.

TAYLOR: Um, hum. So you saw when his heart stopped?

J : Yeah.

TAYLOR: And so was while they was had his hand on his forehead...

J : Yeah.

TAYLOR: Reading scripture...

J : Yeah.

TAYLOR: ...and then, he did the whole foam, he did the whole ah, what happened after that?

J : There was like these three specific (UI) that he

TAYLOR: Uh, huh.

J : Um.

TAYLOR: Do you know what they are?

J : Nas and Phillip.

TAYLOR: I don't know how to spell those.

J : N-A-S

TAYLOR: Go ahead, write it down. I don't mind.

J : (LAUGHS)

TAYLOR: I studied Middle Eastern studies in history and some Islam but I don't speak Arabic.

J : Ugh, yeah. (UI)

TAYLOR: Ok.

J : You know.

TAYLOR: Those are the two stores?

J : Yeah.

TAYLOR: Ok.

J : Is that, is no I'm not. Like I say (UI)

TAYLOR: Naw, that's fine. Yeah. So Nawphin, Falac are two different ones?

J : Yeah.

TAYLOR: Ok.

J : So then there's um, then one day she was, his heart stopped beatin'. And I was like, what? What happened? And then, that's when we like, kept him in that place.

TAYLOR: But you saw..

J : (UI)

TAYLOR: ...you saw...you saw when his heart stopped beating? Right or were...

J : Yeah.

TAYLOR: ...you not there for that?

J : They were just puttin' his hand on his forehead and saying the one.

TAYLOR: And then what happened after that?

J : After that, we put him inside.

TAYLOR: No, I mean so your, while he was reciting Yahnam, I know his heart stopped and ...

J : (UI)

TAYLOR: ...and they start Yahnam, but did he have any reactions before you know, like you had mentioned before when he would have recitals, he would foam at the mouth.

J : Yeah, foam with mouth and like, no he would like, he would like, pass out though then but he would...

TAYLOR: Uh, huh.

J : ...then the (UI) comes up. Start looking at you evil and stuff like don't touch me. (UI)

TAYLOR: Yeah.

J : But, you know.

TAYLOR: Is that what happened?

J : Yeah.

TAYLOR: That time?

J : Yeah. No, no, no, it didn't happen that time, he just passed...

TAYLOR: He just...

J : Cause all of them were gone.

TAYLOR: He just passed out?

J : Yeah, it's God that mentioned that it was no more inside of him.

TAYLOR: Ok.

J : So, we find out that everybody that got sick like that he can't talk like that is because they're dead because demons were keeping them alive.

TAYLOR: Um, hum.

J : And um, yeah, and then he climbed under the bed, he wrapped him up and everybody started crying and..

TAYLOR: Um, hum.

J : But then my mom said that's so strange, he never (UI)

TAYLOR: Um, hum.

J : You know, he said, like after he passed away, he started changing and stinking right away.

TAYLOR: Um, hum.

J : It took him like four months.

TAYLOR: Wow. So what was...he..

J : He (UI)

TAYLOR: ...was wrapped up and put him in the bed and then what else?

J : That's it. Ah, and like later on it started getting' hot and later on little he would start stinking a little bit...

TAYLOR: Um, hum. Do you all move him around?

J : Yeah, they used to wash him every day. My brother and my dad.

TAYLOR: Um, hum. Wash?

J : No, yeah every other day.

TAYLOR: Like wash, ok.

J : That's when his face started changing, like, it's been four months. (UI)

TAYLOR: Yeah, you said, your brother F ...

J : Yeah.

TAYLOR: ...and then Wa ?

J : Yeah.

TAYLOR: Used to wash him? And then event....where did he get moved to? Not until when...

J : Um, then he started building the tunnel.

TAYLOR: Yeah.

J : The story...

TAYLOR: Yeah.

J : And then, that's when he went oh, it's cooler down here. But they put him inside there.

TAYLOR: Um, hum.

J : On the right.

TAYLOR: Yeah.

J : He'd be up on...

TAYLOR: Yeah. I know it's...

J : It was crazy. But then, like, we were like, go shopping every week...

TAYLOR: Um, hum.

J : Cause there was a lot of us in there. We all lived in that one trailer.

TAYLOR: Yeah.

J No, put the Ponnas family, they lived inside the truck.

TAYLOR: Yeah. The white truck, right?

J : Yeah.

TAYLOR: Yeah.

J : But then my mom said we couldn't go up there. We found out that you all was watchin' us. (LAUGHS)

TAYLOR: I don't know. I don't know about that but um, do you feel like ah....

J : Yeah. We got guns off of her, not to go up there.

TAYLOR: Ok.

J : Because you all was watchin'.

TAYLOR: Did ah, you all ever go hungry? Did you have enough food?

J : Yeah, we always had food.

TAYLOR: Yeah, you never got....

J : As a matter of fact, we was about, we were cookin' when you all came in.

TAYLOR: (LAUGHS)

J : It was like, "put your hands up". I was like...

TAYLOR: Cookin' breakfast. That wasn't us. That was...

J : I was cookin', yeah the officers.

TAYLOR: Yeah, that was....I'm....was the FBI, the sheriff's yeah. Um, what were you all cookin' that morning?

J : We was getting ready for....after Friday we have a Aduma...

TAYLOR: Um, hum.

J : Like a lecture.

TAYLOR: Um, hum.

J : About who needs to improve the place that then.

TAYLOR: Yeah.

J : But then after the lecture, we would eat. So we started cookin' early in the morning cause we was missing turkey burgers.

TAYLOR: I hear you (UI) did the cookin' right?

J : Yeah.

TAYLOR: That's pretty impressive, if you all...

J : It was me, Subhanah...

TAYLOR: Ugh, huh.

J : And my mom. Basically, God changed everything about us. Subhanah, like she never cooked anything...

TAYLOR: Um, hum.

J : She wasn't a good cook.

TAYLOR: Um, hum.

J : Then her house was already ready.

TAYLOR: Um, hum.

J : But then, God told her no, she has to do all the work now cause all those years that she hasn't been doing anything, now she has to pay up for it.

TAYLOR: Yeah.

J : So, then she started doing the cleaning and cooking. But then on Fridays, it's be me, my mom, Subhanah. Me and my brothers would cook.

TAYLOR: Pretty impressive, I didn't learn to cook until much later in life.

J : (LAUGHS)

TAYLOR: (LAUGHS) Um.

J : That's basically it.

TAYLOR: So, there, I got...a fascinating story and ah, I think I got it all except this one thing that I kind of got crossed up. So, earlier you said in Georgia, your mom, Hakima stole her baby because...

J : So, what happened was...

TAYLOR: ...was magic...

J : Yeah, so what happened was she, God never gave her the ability to get pregnant. And she was mad about that.

TAYLOR: Right.

J : And she knew that.

TAYLOR: I got that part.

J : So then, he (UI) sent a sign. So, what happened was, she, my mom, she was pregnant...

TAYLOR: Um, hum.

J : Didn't I say that? She took a pregnancy test and it was positive.

TAYLOR: Yup.

J : All, then she went to tell my dad and he's like oh wow congratulations. That's how Hakima heard.

TAYLOR: The next day, she did the pregnancy test, nothing was there. Then, Hakima, just like in the what I said with Jesus..

TAYLOR: Um, hum.

J : See his mom had a lot of contractions and a lot of pain.

TAYLOR: Um, hum.

J : So, that's why Hakima had all that pain.

TAYLOR: Yeah.

J : And stuff like that. It says, she had contractions and she was in pain for days..

TAYLOR: Um, hum.

J : Before she even had the baby.

TAYLOR: Um, hum.

J : And it was a late birth. You know, she was in a lot of pain. After that the baby, came out, (UI) she knows that he died. She's the one that put the disease, she's the one who put the disease in him at birth.

TAYLOR: Right.

J : So then after that. The next day, you know, no, no, no, that was way after, a couple months, you know?

TAYLOR: Um, hum.

J : After she got pregnant and they stole my mom's baby. Then she, Hakima, she went and told my mom, why would God do this to me? Why punish the baby, why not punish me?

TAYLOR: Right.

J : She knows that she's practicing magic and all that stuff.

TAYLOR: Um, hum.

J : My....my mom didn't know that. She was like, don't say that, after he just died.

TAYLOR: Yeah.

J : Then she was evil. She like hated my mom.

TAYLOR: Hakima?

J : Yeah, she was doing a lot of magic and trying to kill us from the inside.

TAYLOR: Um, hum.

J : A give us a lot of diseases and stuff like that.

TAYLOR: And then, your mom received a message from God.

J : Yeah. That's when it all started happening after that. My mom, one, it all started when my...my little baby sister...

TAYLOR: Yeah.

J : ...was crying, no stop. (Ahhhhhhh!!!!) And she was (UI) and stuff like that.

TAYLOR: Yeah.

J : And after that, (UI) was playing, (UI) said Hakima, that, my momma, like what's happening, why is she crying so much? After that, Hakima and she was like, ahhh, she started laughing and she's like...

TAYLOR: Um, hum.

J :yeah right. Hakima was a good person and she was all nice.

TAYLOR: Um, hum.

J : Cause that's how she appeared say that.

TAYLOR: Right.

J : Then, (UI) oh A is so sweet, but then she knocked people over to try to look sweet, stuff like that. But...

TAYLOR: Right.

J : ..there real back side.

TAYLOR: Yup.

J : Yeah, so, nobody probably knows how old she is. Because she always says she's 42.

TAYLOR: Hum.

J : I don't know how old she is.

TAYLOR: Hum.

J : But every time you ask her for her age, says I'm forty two.

TAYLOR: Never ages, huh?

J : Never ages. (LAUGHS) So, is her face.

TAYLOR: Yeah.

J : Yeah and then...

TAYLOR: Sounds just like that or something like that?

J : Yeah.

TAYLOR: Wow.

J : She looks much older than that though.

TAYLOR: Oh.

J : What happened was, she put spells on us, so we can see her (UI). Like she...

TAYLOR: Oh,

J : ...thought she cooked some food for magic and all that, so my dad but he didn't see her yet. Later on she came out.

TAYLOR: Yeah.

J : And she was like oh, they got married and stuff like that.

TAYLOR: Yeah.

J : That's when that, yeah. So, nobody ever saw her real form.

TAYLOR: Um, hum.

J : Until the magic wore off. And then, it was on Facebook. My dad's sister Serifa, he updated that she'd aged tremendously.

TAYLOR: Wow.

J : (UI)

TAYLOR: I got...got that part. And then at what point did, was it decided that ah A needs to come from Georgia?

J : It started in Riverdale...

TAYLOR: Um, hum.

J :a couple days aft.....before...

TAYLOR: Um, hum.

J : The missionary attack. (UI)

TAYLOR: Ok.

J : And then, af, you know, I tell you about the cars going back and forth.

TAYLOR: Yes, yup.

J : Um...

TAYLOR: But Abdul was already with you at that point, right?

J : Yeah, he was with us at (UI) house.

TAYLOR: Ok, but before, where was A in Georgia before he came with you all? Was.....did Hakima live in Riverdale?

J : Yeah, she lived in town suites, stayed at hotel.

TAYLOR: Ok.

J : And she would like, she was mad because we had rent a house.

TAYLOR: Yeah.

J : She's pissed off.

TAYLOR: And then, at some point...

J : And that's when she started doing all, no, it started when before we even met her.

TAYLOR: Yeah.

J : She sent us some cookies.

TAYLOR: Um.

J : And then...

TAYLOR: I mean, whose going to deny cookies right, but you never know what's in them, right?

J : Yeah.

TAYLOR: (LAUGHS)

J : Oh, my.

TAYLOR: Yeah.

J : She cooked real good or something like that, but then she cooked something with magic in it.

TAYLOR: Um, hum.

J : And the more you eat magic the stuff that you're not supposed to do, and stuff life that, the more demons come inside you.

TAYLOR: Yeah.

J : But we had so much, a lot of black people have a lot of demons.

TAYLOR: Um, hum.

J : But the white people have less because, you know. There is something special about the black people.

TAYLOR: Um, hum.

J : But then, you know. That's why when they wrapped people's, they got no money, they always set up in jail. They say like the whole system is made for them to fail.

TAYLOR: Um.

J : A lot of black people don't go far.

TAYLOR: That makes sense.

J : I'm not a genie.

TAYLOR: And so, when you were in Riverdale and this is (UI) did your mom get a message from God? That she needed to take Abdul?

J : Yeah. She didn't want to though.

TAYLOR: Yeah. Because it's....

J : Because she thought it was her baby.

TAYLOR: Right.

J : And then later on she said, God this is a good child. After that, it was confirmed too.

TAYLOR: Um, hum.

J : Because my mom asked, am I really your mom and he used to shake his head yes.

TAYLOR: Wow.

J : And he rubbed on her. (LAUGHS)

TAYLOR: Oh, wow. So, ah....

J : After all my....

TAYLOR: ...so then what happened once your mom got the message?

J : Um, she was...she and my dad was already (UI) Yeah.

TAYLOR: But....

J : That was in Georgia too.

TAYLOR: Yeah, I hea....I knew about that. Is ah, did your dad have to go get....

J : Yeah.

TAYLOR: ...A ?

J : He went to ah get him. And it was stated that no, we at the time, my momma told my dad that he was real magic. She's like, no he's not, she didn't believe him. She didn't believe us. Then, she's like, by the time we saw him, she was like wow. She does remind me.

TAYLOR: Yeah.

J : Then, she went and told us, (UI) magic and start doing all this evil stuff that she'd been doing.

TAYLOR: Yeah.

J : Killing people from the inside.

TAYLOR: Um, hum.

J : And....

TAYLOR: Did, was that message to get Abdul, that all, that message also talk about him going to become Jesus?

J : No.

TAYLOR: No. When was....

J : We didn't know that until we got him to New Mexico.

TAYLOR: So when you got him to New Mexico that's when the sign came.

J : Yeah.

TAYLOR: That he would be Jesus. After the demons were expelled...

J : After the demons were (UI) he would die and say yes (UI) that's but that was way after we found out. We didn't realize he was going to pass away. But we just kept on, we thought after all the demons was gone, you know, we were going to be all happy.

TAYLOR: Yeah, yeah.

J : And he could talk to us and run around and stuff like that. Cause you know, he'd throw up in the car. He was HIE....

TAYLOR: Um, hum.

J : So, then after he passed away, whatever, so like, how, why?

TAYLOR: Um, hum.

J : Then after that, God told her that she would have to, she would have to, after some time after he passed away, um...

TAYLOR: Do you think that was always part of the plan? That he was supposed to die?

J : No, we didn't know about it then.

TAYLOR: Ok.

J : God didn't tell us, cause if he did we probably wouldn't have decided on him.

TAYLOR: Um, hum.

J : Yeah, then um, then he passed away. After that everybody was sad because he didn't come back.

TAYLOR: Um, hum.

J : Then after that, Lucas said he's off of my following.

TAYLOR: Um, hum.

J : You know, is how (UI).

TAYLOR: This is in New Mexico?

J : Yeah.

TAYLOR: Um, hum.

J : So we follow him, of wished they had, they he turned on this is not the right mountain area, you know, oh my God. Then that's when we started finding out about all these messages after and stuff like that, happening or whatever. More than ever in history...

TAYLOR: Yeah.

J : (UI)

TAYLOR: Do you have a specific one?

J : Specific one?

TAYLOR: Like any specific national disaster that (UI)

J : Yeah. Blood river, the river turned red.

TAYLOR: Yeah.

J : There's a lot of earthquakes, tornadoes, mudslides...

TAYLOR: Yeah.

J : And wild fires.

TAYLOR: Yup.

J : And a lot of them are mystery. They don't know how it happened. And there was like this video at the drive-in, ohhh they caused that fly in the air. I'm like ahhhhh!

TAYLOR: Yeah.

J : Did you see that one?

TAYLOR: No. Was that an earthquake, that sent him up?

J : No, it wasn't an earthquake, it just started floating.

TAYLOR: Oh.

J : He was standing, like this is how you picked him up.

TAYLOR: (LAUGHS)

J : Cause you can't, you can't see them.

TAYLOR: Right.

J : But they're like a strong.

TAYLOR: Yeah.

J : They're like vampires. They've very strong.

TAYLOR: Yeah.

J : But, they look just like us, but we can't seem 'em.

TAYLOR: Yeah. So then ah....

J : Only people who do magic can see them. That's how you know they're doing magic and not good. One time she told us that she could see Hakima.

TAYLOR: So, then, live a different topic cause I think I understand that pretty well now. So, you, I think you might have touched on it a little bit there. There was a lot institutions that are in this world that are corrupt. And was part of training that you were doing with Lucas and your dad and F l. Ah, you did a lot of weapons training, correct?

J : Yeah.

TAYLOR: What can, can you tell me about that?

J : Um, the weapons name?

TAYLOR: No, just the kind of training you were doing.

J : The kind of training?

TAYLOR: Yeah.

J : (UI)

TAYLOR: So you, like tactical type training.

J : Yeah.

TAYLOR: Tactical reload.

J : Yeah, tactical reload, (UI)..

TAYLOR: Yeah.

J : Yeah at (UI).

TAYLOR: Ok.

J : And we had stick up your hands, put your hands up.

TAYLOR: Self-defense.

J : Yeah.

TAYLOR: Hand to hand combat?

J : Yeah. And then we were like if they came with a little wooden knife.

TAYLOR: Yeah.

J : It wasn't a real knife though, it was like a piece of stick, it was like a stick.

TAYLOR: Yeah.

J : They were like, like pull up a knife on you...

TAYLOR: Um, hum.

J : And you've got to block it. And like...

TAYLOR: Um, hum.

J : And they would then take it.

TAYLOR: Yeah.

J : I (UI) stuff like that.

TAYLOR: Was that all the same studies.

J : Yeah, you then..

TAYLOR: Pretty...

J :like big guns, like you know those red rubber guns?

TAYLOR: Yup.

J : It was like rubber guns. They look just like guns but they're not tough at all.

TAYLOR: Yeah.

J : They would like practice pulling out guns too.

TAYLOR: Yeah.

J : Cause he had like these fake decoy guns, two of them, he had two small (UI) Yeah and he would like practice un-jaming, like cover me.

TAYLOR: Um, hum.

J : And then we would like, I never did this (UI) they was way up there. I wasn't doing that. I was like doing composition W, knee...

TAYLOR: I imagine this was pretty fun, then at thirteen, I grew up shooting, but never I didn't do the tactical stuff that young. I bet that was pretty fun, huh?

J : Yeah, it was fun. I liked that, it was like in the video game.

TAYLOR: Yeah.

J : (LAUGHS)

TAYLOR: Crawl duty.

J : They have like (UI)

TAYLOR: Yeah, yeah.

J : That's my favorite game ever.

TAYLOR: So, that's pretty advanced training, ah. Did you know why you were doing advanced training?

J : He say all our lives can change people. He was going to change.

TAYLOR: Yeah, your dad was into...

J : Yeah, he was like....

TAYLOR: ...self defense and....

J : And he say he always wants to have your own land and train people there.

TAYLOR: Was it also mentioned to defend in case the police came?

J S: No, no it wasn't at all. We didn't anybody else come in.

TAYLOR: Remember I know, I talked to a bunch of the adults. I talked to many of the kids and when I'd heard that this is self-defense training from

J : It was self-defense training.

TAYLOR:the FBI coming and the CIA and the...

J : It said it was to mostly train us, I was like oh wow.

TAYLOR: Yeah.

J : First it was like visiting my brother and my dad, then Lucas came to and he said, oh I want to do it too. And then he started training. I would have been, I would be doing this for fun. I did.

TAYLOR: Yeah. Then you're not in trouble, if you were. And you're thirteen and you're going to do what your parents tell you to do. You are not in trouble for that. So, I want you to be honest if that occurred. It's not, you're going to tell me the truth and you're going to walk out of here and you're gonna go home and nothing's going to happen.

J : Ok.

TAYLOR: So, alright you can tell me, tell me the truth. I promise. Nothing going to happen to you. You have my word.

J : Ok.

TAYLOR: So, you were doing all this tactical training and it wasn't in self-defense for the residence? And everyone, everyone, you know wants to tag your residence so.

J : (UI)

TAYLOR: Yeah, yeah it was.

J : God said that? The government is corrupt.

TAYLOR: Yeah, we've heard that before. I know, I wouldn't say that.

J : He said corrupt and my dad is a militant. My mom, as Mary...

TAYLOR: Yeah, God does.

J : Yeah. And then her son Jesus.

TAYLOR: And that says, what kid is that?

J : A .

TAYLOR: Ok.

J : And then, they were all prophets.

TAYLOR: Um, hum.

J : Sent to (UI) We didn't have (UI)

TAYLOR: And when will, what was the sign going to be?

J : The sign?

TAYLOR: Yeah.

J : What do you mean?

TAYLOR: Was there a sign that would tell you, it's time to fix the world?

J : Yeah, when Jesus comes back.

TAYLOR: And that would be as A coming back as him.
What, so the government is corrupt, was...

J : He told me he's coming back soon cause it said it
in the bible. The bible says that he's coming
back.

TAYLOR: Yeah.

J : And the guy had the exact date.

TAYLOR: Um, hum.

J : That he's coming back. And that was through the
prophets.

TAYLOR: And what's the date?

J : I don't know what...I...I don't remember which date
but it was like...

TAYLOR: This year?

J : Yeah, this year.

TAYLOR: Within a month or..

J : Late this year.

TAYLOR: Ah, later in this year?

J : I think it was December.

TAYLOR: (UI)

J : For Christmas.

TAYLOR: Ok. So what ah, he talked about the government
being corrupt and...

J : Yeah.

TAYLOR: ...I think it was yesterday but two politicians
were arrested for corruption.

J : Who?

TAYLOR: Two politicians were.

J : Whose politicians?

TAYLOR: They are like representatives of a state.

J : Oh.

TAYLOR: Congressmen.

J : Yeah, that cause it's very corrupt.

TAYLOR: But, ah...

J : We have to end the system.

TAYLOR: Yeah, the FBI arrested them because that's one of things that we cover is corruption. We want, we try to get rid of corrupt politicians, stuff like that. Um, so you talked about the government being corrupt. Was it certain people in the government? Was it like military?

J : Yeah, they say some people don't know but a lot of them do.

TAYLOR: Yeah.

J : They know about the corrupt system, stuff like that.

TAYLOR: Yeah.

J : Some people. There are some of them do.

TAYLOR: Were any of them education system? Like, was the education system part of that? Like financial, the banking system, that the government....

J : Yeah, banking system, they said, the Jews, they hate the Muslims, and the black people.

TAYLOR: Yeah.

J : So, they make them, they have those (UI) banks and stuff like that where they can have any money transferring (UI) and steal the money.

TAYLOR: Um, hum.

J : And yeah, everything, banks.

TAYLOR: What else?

J : The um, the government..

TAYLOR: Yeah.

J : Is that FBI too? (LAUGHS)

TAYLOR: Well we are part of the government. That's one of our crimes that we go after is corruption.

J : Yeah, yeah, I know you go over crimes. Some of them, but not all of them, some of them.

TAYLOR: Yeah, yeah.

J : Just some of them. That's envious and they like corruption. There's a lot of corruption and...I'm not saying you. I'm saying some people...

TAYLOR: Um, hum.

J : Some people do (UI) oh they want money.

TAYLOR: Yeah.

J : They like (UI) to destroy.

TAYLOR: What's the education, do you remember if it was part of that?

J : Education? The schools, yeah.

TAYLOR: What about schools does ah....

J : Schools?

TAYLOR: Yeah.

J : They say that the good schools, a lot of people die in schools. They get into a big fight and stuff like that.

TAYLOR: Yeah. Was any part of the plan, once Jesus came in December was to go to a school and get rid of those corrupt institutions?

J : Oh, no.

TAYLOR: No, I mean, kids are innocent right. We all know that kids are innocent.

J : Yeah.

TAYLOR: But obviously there's teachers and the staff.

J : My dad, they God said that he was Moses.

TAYLOR: Yeah.

J : And that's why he's so crazy. (UI) And that he (UI) they are going to get rid of the corrupt associations.

TAYLOR: Which one? All the ones that you mentioned?

J : No, like, like schools?

TAYLOR: Yeah.

J : No, not schools.

TAYLOR: Which ones?

J : They usually, you know my mom can give you stuff like that. (UI) You know.

TAYLOR: Um, hum.

J : Rough stuff.

TAYLOR: When you say get rid of, like what do you think that means?

J : Like rid of people?

TAYLOR: Yeah.

J : Like we're gonna God will give a message to them.

TAYLOR: Um, hum.

J : And they still don't believe it and then when (UI) dies they have go.

TAYLOR: What do you mean by go?

J : Die.

TAYLOR: Ok. And W , your dad and who else was suppose to conduct this, bring the message to the people?

J : Um, all of us. Though only two people are the rough ones, my dad and my brother.

TAYLOR: F ?

J : Yeah.

TAYLOR: Yeah. Was ah, was ah, was it said that there was no talk of going to a school or anything like that?

J : No.

TAYLOR: Ah, from what I heard, your dad, you dad said that you know, kids are innocent. And everybody that I know of they are because they're so young, how can they be, you know, using them for the (UI) corrupt.

J : (UI) they'll read books about slavery and stuff like that because they're all lies.

TAYLOR: Yeah.

J : Knowing him for our good people.

TAYLOR: Um, hum.

J : And they, God is going to kill all the Indians and stuff like that.

TAYLOR: Yeah.

J : Cause they're horrible people.

TAYLOR: Um, hum.

J : They practice a lot of magic and they worship statues.

TAYLOR: The Indians?

J : Yeah. The Indians, Hinduism.

TAYLOR: Yeah, ok. In Islam, you can't believe in idols, right?

J : Yeah.

TAYLOR: Um, I understand all that. Um, was there, did you and F ever talk about someone that you knew. I think asked you a similar question yesterday, but, I think now we're on the same page. Like I'm here to help and I'm also...

J : Actually, when you talk on the phone...

TAYLOR: Yeah.

J : ..I didn't really understand what you were talking about stuff.

TAYLOR: Ok. So I heard that there was someone that either you or F knew that ah, whose dad wanted their kid to do a school shooting. Or go to a school and shoot people.

J : I don't know nothing about that.

TAYLOR: You don't have any friends in Georgia or New Mexico whose dad...

J : No.

TAYLOR: ...wants to do anything like...again, you're not in trouble.

J : All my friends mister are good.

TAYLOR: Your friend wouldn't be in trouble either, you know.

J : No (UI) I don't know nothing about that.

TAYLOR: Yeah.

J : I don't know nothing about a school shooting.

TAYLOR: I imagine what you've already said, that, you know, that kids are innocent and regardless if someone went into shoot teachers or staff because they're corrupt a kid would probably be hurt and kids are innocent. They don't deserve that, right?

J : Yeah.

TAYLOR: If you knew something like that?

J Yeah, I would tell.

TAYLOR: Ok.

J : I don't want any kids to die.

TAYLOR: You don't know anything about a 357 magnum?

J : I know my dad has one.

TAYLOR: He has a 357?

J : I'm not sure what type of gun it is but I know it's a magnum.

TAYLOR: You..

J : Like a revolver magnum?

TAYLOR: A revolver, yeah?

J : Yeah, but....

TAYLOR: You don't think that ah F was ever told to....again and F 's not in trouble. I've already told him this.

J : No.

TAYLOR: Whatever he tells me he can be completely true. He would not get in trouble.

J : No, not all.

TAYLOR: He was never instructed or he was going to go to school. And what, you're going what, this Friday right to school?

J : Yeah.

TAYLOR: That's probably pretty exciting, huh?

J : Yeah.

TAYLOR: There was never any talk about when you were going to school and doing anything like that? Again, you or F would not be in trouble for this.

J : No.

TAYLOR: No, ok. I just, I've heard that conversations happened and I don't think that person has any reason to lie.

J : My brother's not crazy. (LAUGHS)

TAYLOR: I know he's not crazy. I know he's not crazy. I'm not saying doing that is crazy either. I just want to know if that is something that was actually said.

J : No.

TAYLOR: Saying and doing are two different things.

J : I've never heard of that before.

TAYLOR: You've never heard of it? Can you promise?

J : Pray to God.

TAYLOR: (LAUGHS) Um, what else? Did ah, so your dad, I heard your dad watched a video that's called Black Magic. Is that what I understand Hakima was doing? Or whether something educational in the video?

J : That's not why he always was into (UI)

TAYLOR: Oh, yeah.

J : Like demons like that he want to...(UI) Is it Moroccan people?

TAYLOR: Yeah.

J : Is it Moroccan people? They've berber?

TAYLOR: Um, hum.

J : They was (UI) A lot of the berber's....

TAYLOR: Yeah.

J : They do a lot of magic and they kill people like that.

TAYLOR: Yeah.

J : Some evil, some evil are died to unknown things and stuff like that.

TAYLOR: Oh, yeah, unknown causes.

J : Yeah, unknown causes. (UI)

TAYLOR: Yeah.

J : Especially HIV and cancer and stuff like that.

TAYLOR: Pretty bad diseases. Did your dad ever watch any videos that, you know instructed him to or told him how to be more proficient in self-defense? Like he's obviously a scholar and that he studies it right?

J : He's a, he's um, I don't know how to say it. He's um, what's that called again? Like security people.

TAYLOR: (UI)

J : No security.

TAYLOR: For what, like bodyguards?

J : Yeah, like bodyguards, yeah. He paid for stuff like that. He went to school for that.

TAYLOR: Right, right.

J : He has time and stuff like that. I forgot what company he worked for.

TAYLOR: Yeah.

J : He worked for one of them.

TAYLOR: Yup. I know (UI) talked about that. Did ah, he ever watch anything on like YouTube that taught him how to do a better advanced stuff or anything like that?

J : No.

TAYLOR: No, no videos.

J : That was his teacher, Mitch.

TAYLOR: Mitch? Mitch in Georgia?

J : Yeah. Do you know who Mitch is?

TAYLOR: Why don't you spell the name for me, so I know we're talking about the same person.

J : Oh, I don't know how to spell it.

TAYLOR: You don't know how to spell the guy's name?

J : No. I...I rarely seen him. (UI)

TAYLOR: His name is Mitch?

J : Yeah, Mitch. He lives in Georgia.

TAYLOR: What's his last name?

J : I have no idea.

TAYLOR: Ok.

J : He just called him Mitch.

TAYLOR: Ok. He taught him how to do this stuff?

J : Yeah, I know he taught him how to shoot. I don't know if he taught him all of that advanced stuff. I think they went to school for it though.

TAYLOR: Um, hum. Did your dad ever talk to anybody while you all were in New Mexico? (UI)

J : Uh?

TAYLOR: Did your dad ever talk to anybody on the phone or on the computer to anybody outside of....

J : No, he wasn't allowed to. God said don't turn your phones on.

TAYLOR: Yeah. Anyone else. Did anyone have the phone?

J : Lucas and Subhanah. Cause they wasn't looking for them.

TAYLOR: Yeah. And your mom wasn't on her phone or anything by the computer?

J : She had a phone.

TAYLOR: Right.

J : And she had a phone, it was (UI)

TAYLOR: Ok. Um, did ah, was there any books. Your mom wrote three books right?

J : Yeah. (UI)

TAYLOR: Yeah, so what are they about?

J : They're crazy. They're about our whole adventure.

TAYLOR: Um, hum.

J : That we had.

TAYLOR: So, everything you've ever told me is documented in the books?

J : Not everything. Most of it because she saw light in the books. I'm like, what's...what's today, it's August, right?

TAYLOR: It's August 9th.

J : She'd start writing the book at like May.

TAYLOR: Start writing them in May.

J : She stopped. She finished the books at May. Everything else that happened is not documented.

TAYLOR: Did she start before Christmas?

J : Um, no. She started, I...I don't remember when she started. It took like a month to do all three. They're, they're not very long though.

TAYLOR: Did she only write them in New Mexico?\

J : Yeah.

TAYLOR: Ah, ok. Did your dad have any books?

J : My dad?

TAYLOR: Um, hum.

J : Did he write any books?

TAYLOR: Yeah.

J : No.

TAYLOR: Did he have his own journal or anything like that?

J : No.

TAYLOR: Cause one of the things that I saw was a journal and was identified as most likely your dad's handwriting and it wasn't in your mom's hand. On the top it said, Pages of a Terrorist Attack. And then all the way down he talks about a dry run, it talked about planning and stuff like that. You never saw anything like that?

J : No, ever.

TAYLOR: What do you think that means? Like what is a terrorist attack? Do you know?

J : A terrorist attack?

TAYLOR: Um, hum.

J : A terrorist attack, I don't know.

TAYLOR: Can you name one that happened?

J : I know one though. The only one that I even heard of.

TAYLOR: What's that?

J : 9/11.

TAYLOR: Yeah, what. What have you heard about 9/11?

J : I heard that the plane crashed into some big buildings in New York.

TAYLOR: Um, hum.

J : And....

TAYLOR: Do you know who did it?

J : They say Osama Bin Laden was the top of it but nobody we know, if that's true.

TAYLOR: Was he a bad person for doing that?

J : No.

TAYLOR: Or just victim.

J : He was a victim.

TAYLOR: For doing that?

J : No, for crashing?

TAYLOR: Yeah.

J : I don't know if he did it?

TAYLOR: Let's just say he did.

J : If he did, no, he's not a victim (UI)

TAYLOR: Was he, didn't he want, it's ok. There was a lot of people who.

J : He was a scholar. He was a good guy, everybody knew him.

TAYLOR: Osama did. (UI) So your parents they ah, believe that Osama was wrongly accused of doing this?

J : Yeah.

TAYLOR: If they, I mean I thought he was?

J : Yeah and then all the, all the Muslim's thought that cause it said like ten minutes after the crash...

TAYLOR: Um, hum.

J : It (UI) all the rocks that fell on the plane. How would he um, he was behind it? How would they find him so quickly?

TAYLOR: Um, hum.

J : Like, it was right after the crash, they went oh, Osama Bin Laden was behind it. Nobody even saw him, nobody or anything.

TAYLOR: Yeah. Did ah anyone read since he's a scholar did anyone in the family read any of those?

J : No.

TAYLOR: They just talked about him a little bit.

J : No, they don't talk about him.

TAYLOR: Well, how do you know.

J : He wasn't that known.

TAYLOR: I thought.

J : To us.

TAYLOR: I thought you said that they believed what happened was...

J : (UI)

TAYLOR: Yeah.

J : Yeah.

TAYLOR: And then he was a good guy, and a scholar..

J : Yeah.

TAYLOR: But they never watched nay teachings from him or anything like that?

J : Um, I don't know.

TAYLOR: Yeah, did they ever talk about his teachings at home? Ok.

J : Not that I know. I never heard him talk. I only heard that one time like what the night of the crash, is the only time I heard of it.

TAYLOR: Did ah, Subhanah or Bushrah think the same thing?

J : Yeah.

TAYLOR: What about?

J Subhanah was like hadid, hadid (UI)

TAYLOR: Right.

J : Is, is, but after the crash, couple minutes later, they reported in the news.

TAYLOR: Um, hum.

J : And they, every, the plane is still buried.

TAYLOR: Yeah. (UI)

J : No I don't know. I never heard Lucas talk about him or Hajrah.

TAYLOR: Ok.

J : Or my mom. It was in my dad's (UI).

TAYLOR: Um, do you know what the Khalifid is?

J : The what?

TAYLOR: The Khalifid?

J : No.

TAYLOR: In Islam there is a Khalifid, like an abomination back in the day and that wasn't part of the teachings?

J : I don't know about that. (LAUGHS)

TAYLOR: Um, do you know what's going on in Iraq interior right now?

J : Iraq interior?

TAYLOR: Yeah.

J : No.

TAYLOR: Do you know what ISIS is?

J : ISIS?

TAYLOR: Yeah.

J : No.

TAYLOR: Ok. When we talked about the Islamic state or....

J : It did, I know, (UI) they show ISIS (UI) But I forgot what ISIS is.

TAYLOR: It just means the Islamic state in Iraq and Syria.

J : Oh. No but I heard in Palistine.

TAYLOR: Yeah.

J : The Jews are killing them a lot.

TAYLOR: That's (UI) family. Just current events.

J : Yeah, it's current events, they're praying for Jesus to come back. They said watch, when he comes back...

TAYLOR: Yeah.

J : There's not going to be no more that.

TAYLOR: So, did you ever hear anything about like, hisrah or traveling?

J : Hisrah?

TAYLOR: Going overseas?

J : I don't know.

TAYLOR: The Hajj or you go to Mecca.

J : Yeah Hajj, yeah my dad went there before.

TAYLOR: Yes, ok. He told me about that. What about going to like traveling over to somewhere else in the Middle East. Did he ever talk about that? Or was it always the plan always to stay in New Mexico?

J : Yeah.

TAYLOR: Ok. We were going to have to stay in New Mexico until Jesus comes back.

TAYLOR: Yeah.

J : And then, they go to the world

TAYLOR: Ok.

J : Teach them the right way to do things.

TAYLOR: And you still think that's what's going to happen? Ok. That's fine. Um...

J : I think it's going to be like on Christmas or something.

TAYLOR: That was his birthday.

J : Yeah.

TAYLOR: I understand. And you know, and you've been honest with me. I appreciate it. Is there anything else you think I should know about?

J : Um, I'm thinking.

TAYLOR: No one's going to get in trouble.

J : I don't know. There isn't anything else but...

TAYLOR: During the training you were doing with guns did anyone ever call it a dry run?

J : No.

TAYLOR: Does that word, make like that phrase...

J : My dad was saying the FBI

TAYLOR: Um, hum.

J : ...or whatever, something like that was doing a dry run on us because like they used to stand like this like, (UI) tornadoes or something like that.

TAYLOR: But...

J : And it wasn't, it wasn't...

TAYLOR: Blew down, blew down a shed right?

J : Yeah, it blew down a shed. Did my brother told you?

TAYLOR: I heard it from a few people, yeah.

J : It was like, BOOM!!!! Fell apart.

TAYLOR: Um, hum.

J : Blew up. And that was the only spot where I had went in it and right after it wasn't raining anymore.

TAYLOR: Um, hum.

J : And then we saw a suspicious truck running back and forth.

TAYLOR: Well, just for your own, you know, that was a freak wind storm on the mesa but...I wants you to be concerned...

J : Mesa?

TAYLOR: So, where you are...

J : What's a mesa?

TAYLOR: A mesa like that flat area.

J : Oh.

TAYLOR: It's called a mesa. It means table in Spanish.

J : (LAUGHS)

TAYLOR: (LAUGHS) It's flat, you know, cause it's like a table, that's why they call it a mesa. I don't want you to be worried. We weren't trying to hurt anybody so.

J : Ok.

TAYLOR: Um, what do you think about me? So you talk about the FBI?

J : I think you're cool. (LAUGHS)

TAYLOR: Ok. I just don't want you to think that I, you know, I ah, I'm not here trying to do anything weird, ok.

J : Some of the music here....

TAYLOR: Well, if you hear anything else, or you remember anything, you think that I'd want to know, anything important enough. My goal is to keep you from getting hurt, no matter what.

J : Ok.

TAYLOR: That includes you, that includes Muslim people, that includes Christians, Jews, it includes everybody. I'm not, I try to, I don't differentiate between people. My goal is to have equal regardless ok.

J : Ok.

TAYLOR: So, if you think of anything that would help me get do that job, I'd appreciate it. You let me know.

J : Ok.

TAYLOR: And you can just tell Clara and she'll give me a call and..

J : Ok.

TAYLOR: Have you ever seen one of these before?

J : No, ever. (UI) No, I've never seen one before.

TAYLOR: You can pick it up if you want.

J : Is it real gold?

TAYLOR: No, I think it's like brass or something.

J : Oh.

TAYLOR: The government can't afford to give us all gold badges. (LAUGHS)

J : (LAUGHS)

TAYLOR: Maybe one day, you'll want to join the FBI and you can get one of these. But, ah, alright, I'll let you go and ah, I appreciate you talking to me man.

TAYLOR: Interview is concluded
